

Essentials Clay Pot Gardens Sticker

Spec Guideline (SUP-033)

To get the best result, we recommend not filling the print area with colour, but instead leaving a white background behind your logo design.

ARTWORK SPECIFICATIONS / REQUIREMENTS

Artwork must be added to the 'Sticker Artwork Template (x35)' before sending

When adding your artwork to this template, please make sure it is either vector or high resolution jpeg format

All fonts must be converted to outlines

Working file must be compatible with CS5 - Illustrator

Files to be supplied in **PDF only**

Please turn off the **GUIDES** layer on the tempate PDF sending

No responsibility will be accepted for errors or changes once the artwork has been signed off

Due to printing our method, inkjet and laser printers are not able to print in white.
