SEEDSTICKS®

BY SOW EASY

PRODUCT CATALOGUE 2026

Greetings gardeners!

We are thrilled to introduce you to Seedsticks®, a product that has been flourishing in the promotional plant world since 1988. Now, we are excited to bring our labour of love to the retail market.

Seedsticks are 100% biodegradable, sustainably produced, and proudly British-made, providing an eco-friendly and innovative way to grow plants. These packs are perfect for children and adults alike, whether you're a beginner or a seasoned green thumb. The best part? They are incredibly easy to use – simply tear, plant, and watch your garden grow.

Seedsticks make a thoughtful gift, a fun educational tool, or a simple way to bring a bit of green into your life. Be one of the first to get your green fingers on these unique packs.

Let's grow together with Seedsticks!

100% recycled board.

Planting depth-line indicator.

'U' tab maintains seed-soil contact encouraging germination.

Patented glue dissolves to release seeds after sowing.

Enough seeds to ensure high germination rates per pack.
