

CULTIVATE YOUNG MINDS

with Eco-Friendly Classroom Tools

Engage and Educate

By integrating these products into your offerings, you provide schools with tools that make environmental education tangible and enjoyable. Encourage your clients to incorporate these items into their classrooms to foster a generation of environmentally conscious individuals. Here are the top five ways your clients can put it to work:

- ☑ **Support curriculum goals**
- ☑ **Promote interactive learning**
- ☑ **Foster a sense of responsibility towards the environment**
- ☑ **Innovative tools to transform traditional lessons into memorable experiences**
- ☑ **Cultivate a lifelong commitment to sustainability**

Company Overview

Established in 1988, Sow Easy is the UK's leading supplier of eco-friendly, seed-based promotional products. Specializing in customizable items that grow into flowers, herbs, or vegetables, Sow Easy partners with marketing agencies, distributors, and brands to create memorable, sustainable marketing campaigns.

Mission Statement

To inspire sustainable growth by providing innovative, plantable promotional products that leave a lasting impression and a greener planet.

Top 3 Products

Seedsticks®

A signature product resembling a matchbook, each stick contains seeds that can be planted to grow various plants.

Seeded Paper

Recycled, plantable, biodegradable paper products that bloom into wildflowers after use.

Seed Grow Kits

Includes items like desktop cube gardens and letterbox gardens, providing a complete growing experience in a compact package.
